MEMORANDUM FOR: Executive Director-Comptroller

Colonel White:

The publication of [] has been stalled for a long time in the coordination process due to disagreement between the Intelligence Directorate and the Clandestine Service on DCS responsibilities for foreign materiel. With the achievement of the agreement, dated 10 November 1970, mentioned in your memorandum of 17 November to the DD/I and DD/P, the bar to coordination has supposedly been lifted. Regulations Control Branch received from DCS on 24 November the latest version of [] for final coordination and publication. We would anticipate distribution in about two weeks. We will keep the "heat" on.
